Adam is a passionate hockey player and lifelong sports enthusiast whose love for the game is matched by his appreciation for friendship, family, and camaraderie. Known as the ultimate locker room guy, Adam brings a positive energy, great sense of humor, and team-first mentality that make him a valued teammate both on and off the ice. Growing up alongside his brother, Joel, and father, Kerry, sports have always been a central part of his life. Whether playing hockey, watching football, or engaging in friendly debates about their favorite teams, the three have built a special bond through their shared passion for athletics.

Despite their love for the same sports, the family certainly doesn't agree on which teams deserve their loyalty. In football, Adam is a longtime Washington Redskins fan, while Joel supports the Chargers and Kerry cheers for the Green Bay Packers. Their hockey allegiances are equally divided, with Adam backing

the Pittsburgh Penguins, Joel supporting the San Jose Sharks, and Kerry remaining loyal to the Washington Capitals. While these rivalries provide plenty of opportunities for playful banter, they also highlight the family's ability to support one another despite their differences. For Adam, some of the greatest memories in sports come from sharing the excitement, celebrations, and occasional heartbreak with the people closest to him.

Adam's girlfriend, Jenny, adds another entertaining dimension to the group's sporting rivalries with her loyalty to the Vancouver Canucks and Boston Red Sox, making her the frequent target of some good-natured teasing. Adam's close friend Andrew may strongly disagree with her choice of teams, but he loves her nonetheless, proving that even the fiercest sporting rivalries can't get in the way of genuine friendship. Whether Adam is skating alongside his teammates, watching a game with his family, or sharing laughs with Jenny and his friends, his love for sports continues to bring people together. For Adam, the greatest part of being an athlete and sports fan isn't necessarily winning — it's the friendships, laughter, and lifelong memories created along the way.
